

TOPSYL Authority

- + (U) (1) Communications must be confirmed foreign-to-foreign
- + (U) (2) Filters must be applied to ensure only authorized traffic is forwarded to the DMR and DMI selection engines.
- + (U) (3) Occasionally, the TPSI discovers that one end of the intercept is actually in the US. We refer to this as a "domestic incident".
- + (C) TPSI must inform BSO Corp Team when this occurs via email alias DL_BSOThreat_CM. BSO files a formal report to NSA/SV for each occurrence of a domestic incident.

Transit Authority

Unique Aspects

- Access to massive amounts of data
- Controlled by variety of legal authorities
- Most accesses are controlled by partner
- Tasking delays
